COVID-19: MTA INSPECTS OUTLETS

ISSUED 02/04/2020

With the start of a new month, the Malta Tourism Authority continued with its inspections of bars, snack-bars, restaurants and other catering establishments to ensure compliance with the Covid-19 regulations.

During Wednesday 01st April 2020, more than 720 inspections were carried out in 27 different localities in Malta. Of these, more than 140 inspections took place in Valletta/Floriana and more than 100 establishments were checked in Marsaskala/Marsaxlokk.

In Gozo, MTA checked around 160 establishments located in 11 towns and villages, namely: Ffondoq, Marsalforn, Mgarr, Munxar, Nadur, Qala, Qbajjar, Victoria, Xewkija, Xlendi and Xwejni.

Once again, no breaches were found, neither in Gozo, nor in Malta. Establishments were found to be closed or operating strictly on a take-away basis.

Since the relevant Legal Notices came into force, the number of inspections around Malta and Gozo has surpassed 11,940 inspections. More than 9540 inspections took place in Malta and over 2400 in Gozo.

MTA reminds the general public on the need to practice social distancing and to remain as much as possible at home. Anyone who encounters any breaches can inform the authority via its Tourism COVID-19 helpline: 21692447 or email: tourismcovid-19helpline@visitmalta.com.
