## COVID-19: MTA INSPECTS OUTLETS

ISSUED 23/04/2020

During inspections carried out by MTA on Wednesday 22nd April 2020, a kiosk in Ġnejna Bay was found serving three persons who were consuming beverages at the counter. This constituted a breach of Legal Notice 76 of 2020 which allows only take-away and delivery services. The establishment, which had already been found in breach on a separate occasion, is being fined accordingly. An enforcement notice is also being issued.

Meanwhile, MTA continued with its inspections of catering establishments across the Maltese Islands, completing more than 2052 in Malta and over 190 in Gozo during Wednesday alone.

Since the relevant Legal Notices came into force, the total number of inspections around Malta and Gozo has reached 36,680 inspections.

Anyone who encounters any breaches can inform the authority via its Tourism COVID-19 helpline: 21692447 or email: [tourismcovid-19helpline@visitmalta.com](mailto:tourismcovid-19helpline@visitmalta.com).
