MALTA INTERNATIONAL FIREWORKS FESTIVAL
Live Broadcast on TVM from 9.00pm

Statement by the Malta Tourism Authority

The spectacular finale of this year's *Malta International Fireworks Festival* will be broadcast live on the national television channel TVM tonight from 9.00pm onwards. Part of this activity which takes place on land every year in the vicinity of the old fish market (Pixkerija) and which normally attracts large crowds of locals and tourists, is being cancelled due to the current situation. On the advice of experts in pyrotechnics and other areas, for security reasons and to avoid the risks associated with the relocation of fireworks, it was recommended that the display takes place as planned, and in this manner the public can enjoy the spectacle from the comfort of their home.

We appeal to the general public to watch this event on television only and not to congregate in large numbers in the vicinity of the Pixkerija or anywhere else.

Tonight's spectacle will feature fireworks by the following factories:

• Kamra tan-Nar Madonna taċ-Ċintura, Gudja
• Għaqda tan-Nar 22 ta' Frar, Birzebbugia
• Għaqda tan-Nar 25 t'April, Qormi
• Għaqda ta' Nar San Gabriel, Balzan
• Għaqda Mużikali San Leonardu A.D. 1858, Kirkop
• San Ġużepp Fireworks Factory, Kirkop
• Tal-Bilbi Fireworks Factory, Siġġiewi
• La Stella Fireworks Factory Gudja
• Sezzjoni Nar Għaqda Festi Esterni Santissma Trinita', Marsa

Meanwhile, the winners of this 19th Edition of the Malta International Fireworks Festival have been announced. They are Piromagia from Italy, followed by local factory St Andrew's Band Club from Ħal Luqa in second place, and CSP Pyrotechnique from France in third.

The Malta Tourism Authority together with the Ministry for Tourism and Consumer Protection wish to thank all participants and those who have provided their support to make this year's edition of the festival another successful one.
