

JOB DESCRIPTION – EXECUTIVE SECRETARY IT

DIRECTORATE HR, Administration & IT

REPORTS TO Manager IT

Main Objectives of the Position:

The Executive Secretary to the IT Department plays a vital role in providing administrative and operational support to the IT leadership and staff. This position ensures the smooth running of daily tasks, handles scheduling, manages projects, and acts as a liaison between internal departments and external stakeholders. The role requires a balance of technical proficiency, strong organizational skills, and discretion, making it essential in maintaining the efficiency of the IT team.

Main Duties and Responsibilities:

- To organise schedules, including meetings, and deadlines for IT department staff.
- To prioritize tasks effectively, ensuring timely completion of all administrative activities.
- To aid in handling multiple projects simultaneously while maintaining attention to detail.
- To file and retrieve all documents as and when requested;
- To issue P.L.'s for invoices received;
- To open and register registry files;
- To execute all administrative duties on a day to day basis;
- To order and maintain a proper supply of office supplies and stationery;
- To liaise with other departments, ensuring clear communication.
- To draft and manage correspondence, reports, and other communications with professionalism.
- To facilitate communication between IT staff and external partners or vendors.
- To attend meetings as requested and to take minutes during such meetings;
- To provide support to the rest of the staff as required and as detailed by the direct supervisor;
- To support MTA users with basic IT Support;
- To anticipate issues and proactively resolve them to ensure the smooth functioning of IT operations.
- To analyze situations and make informed decisions to address the needs of the department efficiently, where applicable.
- To use Microsoft Office Suite (Word, Excel, PowerPoint, Outlook) and other business applications to prepare documents, manage data, and create presentations.
- To navigate calendar management tools and handle basic IT troubleshooting when required.
- To handle sensitive and confidential information (business plans, financial data, personal matters) with the utmost discretion and professionalism.
- To ensure secure management of all confidential materials related to IT projects and company data.
- To build and maintain strong professional relationships with internal teams and external stakeholders.
- To maintain a calm and professional demeanour in high-stress or urgent situations, representing the IT department in a positive manner.
- To assist in coordinating IT projects by tracking progress, following up on deliverables, and ensuring deadlines are met.

- To provide administrative support in project planning, documentation, and execution.
- To be adaptable to changing schedules and priorities, especially in a fast-paced IT environment.
- To exercise good judgment and make independent decisions when needed, especially in the absence of IT leadership.
- To take initiative to improve departmental processes or solve problems without constant supervision.

The MTA reserves the right to transfer and assign duties in a similar position within other departments as per the Authority's work exigencies.

Competencies:

- Strong understanding of IT concepts, terminology, and departmental functions.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint, Outlook) and other relevant software tools.
- Excellent organizational skills with a high level of attention to detail.
- Must have excellent communication skills in Maltese and English, both written and oral.
- Ability to work independently, prioritize tasks, and manage time effectively.
- Ability to maintain confidentiality and handle sensitive information with discretion.
- Previous experience in an administrative or executive assistant role, particularly in supporting IT or technical teams, is preferred.
- This position is ideal for a highly organized and proactive individual who can balance technical support with administrative duties, ensuring the IT team remains focused on strategic goals.
